

WasteDiverter

RIGHT SIZE YOUR TRASH

Nearly half of what's inside the average Longmont trash cart could actually be recycled or composted. That means most of you are paying for more trash service than you need.

THINK BEFORE YOU THROW!

Much of what's
in your trash cart
could be recycled
or composted

NEXT STEPS

REDUCE - Pay attention to what you purchase.

REUSE - Opt for items that go beyond single use & repair instead of replacing.

RECYCLE - Know what can be recycled and use your blue-lidded bin to max potential.

COMPOST - Sign up for curbside composting service or start a backyard compost bin.

ON THE RIGHT PATH

In Longmont homes, about one-third of the waste we generate is already being kept out of the landfill through our recycling efforts. That's something to be proud of, and we could do even better.

CHRISTMAS TREE RECYCLING*

DEC. 26, 2020–JAN. 6, 2021

The City of Longmont will provide four satellite Christmas tree drop-off locations. Please remove all holiday decorations and light strands from trees.

Roosevelt Park - In the parking lot South of 8th Avenue and Pratt Street by Roosevelt Activity Pool.

Garden Acres Park - In the parking lot at 18th Avenue and Tulip Street.

Kanemoto Park - In the parking lot at South Pratt Parkway and South Coffman Street.

Centennial Park - In the parking lot at Alpine Street and Verdant Circle.

In addition, you can recycle your Christmas tree at the **Waste Diversion Center**.

WASTE DIVERSION CENTER

140 Martin Street
